# Homecoming

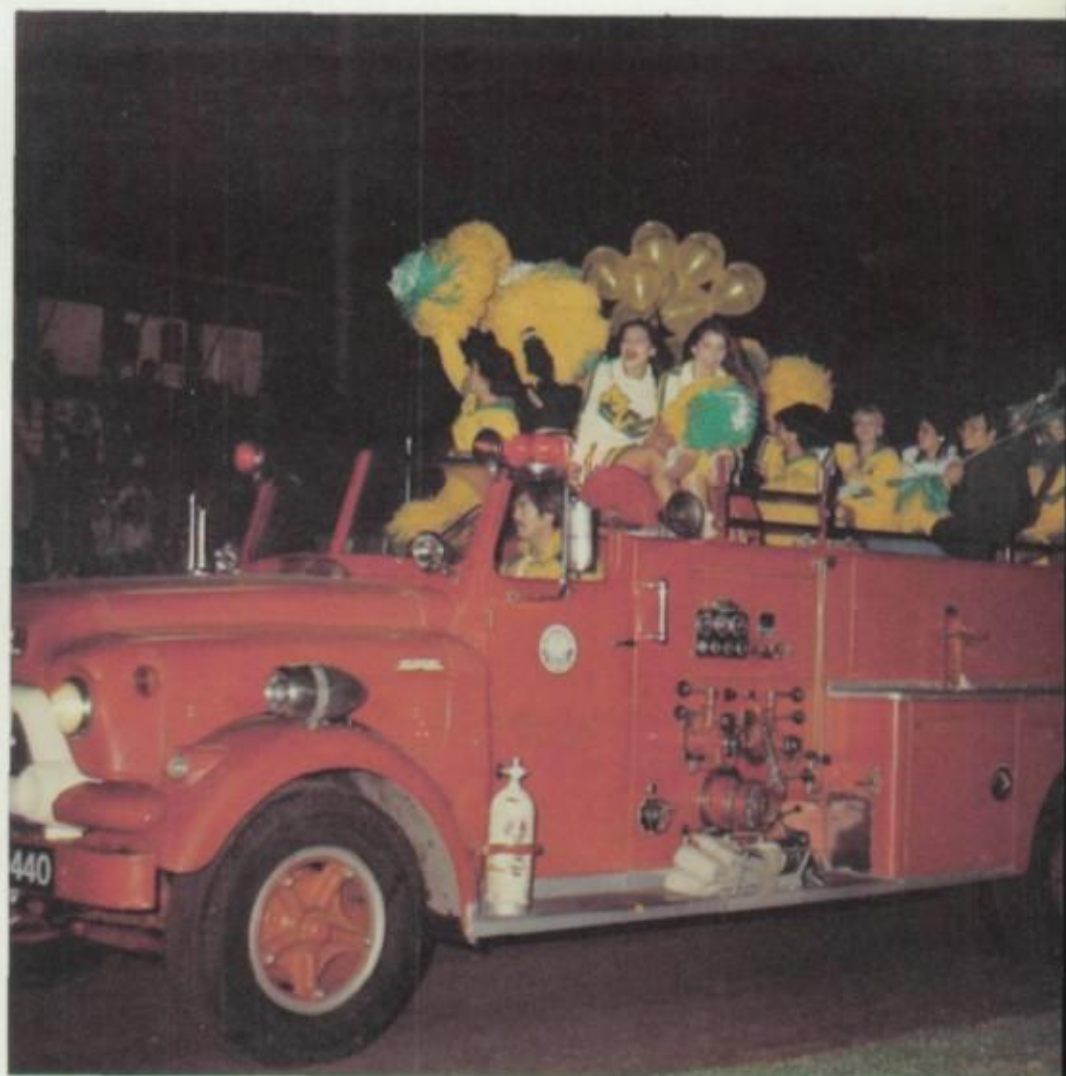

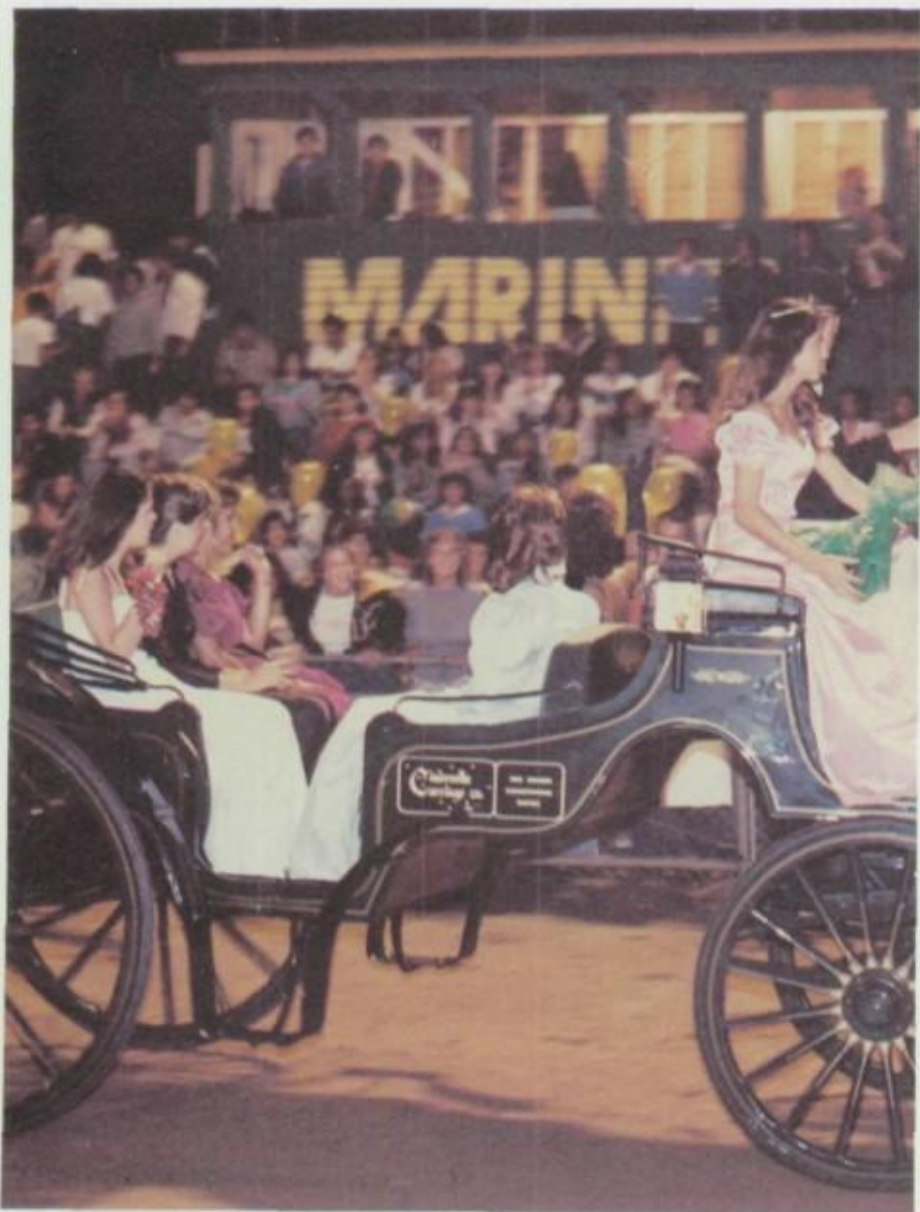

Homecoming week 1983-84 was filled with many exciting activities, in which Mariners proved their spirit and enthusiasm. Highlights included a carnival on the Senior Lawn with a dunking booth for the princesses, pie eating and baby food competitions, dress up days, and an explosive pep rally.

1983 - 1984

Homecoming night was better than ever for Mar Vista, featuring new events that made "Dreams Come True". The cheerleaders circled the field in a fire engine, and the Homecoming court arrived in a spectacular horse-drawn carriage. The fireworks show was the climax to the crowning of the queen at halftime. The crowd was ecstatic when the JV football team performed a high spirited cheer.

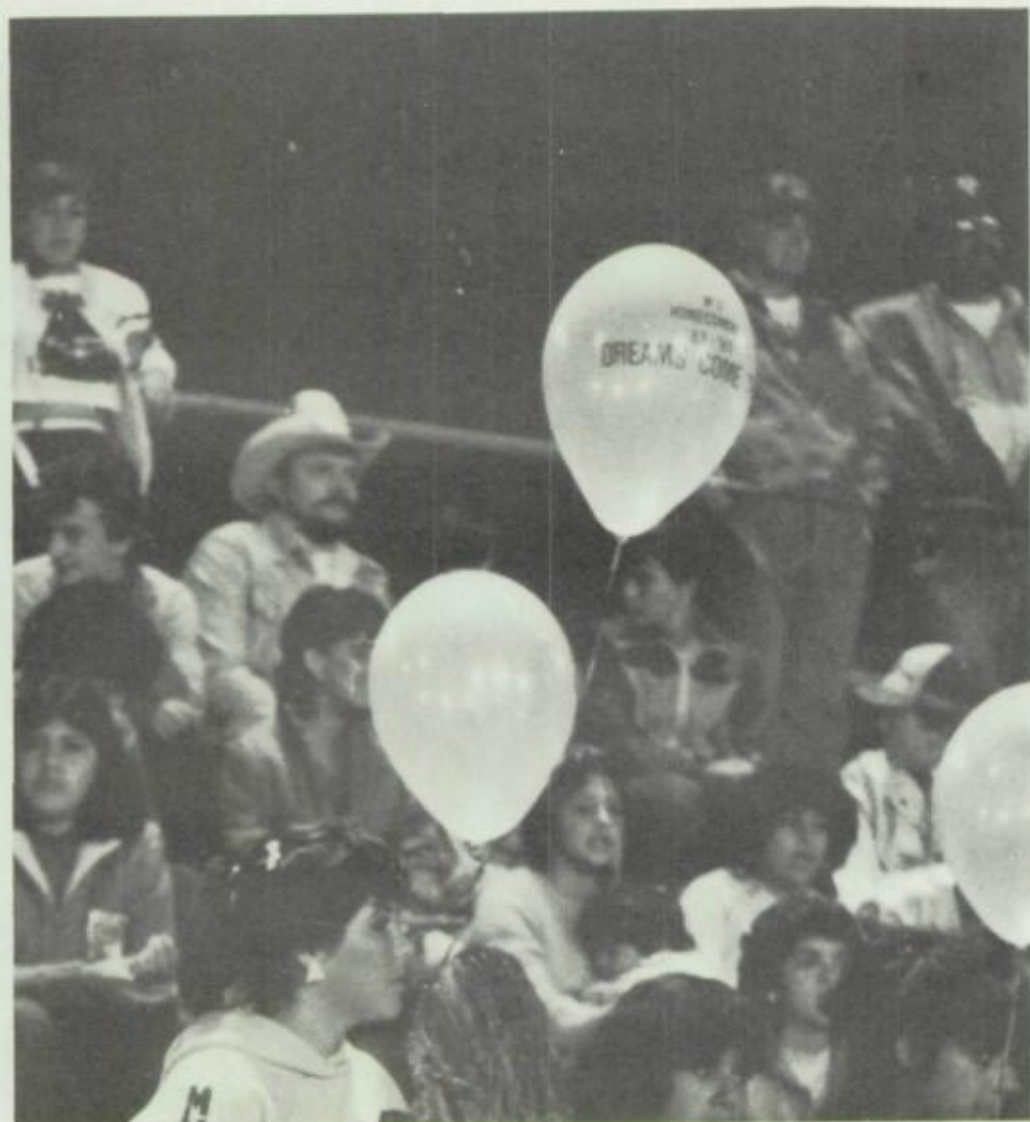

High school can be much more than just a place of learning, and Homecoming brings out the best in everyone. Captured in memories like these is the pride and unity of the seniors.

# Come True

The horse-drawn carriage pulled up at the center of the field, and the five princesses descended: Cecilia Apodaca, Maria Arroyo, Lynda Fletcher, Angie Melendrez, and Elizabeth Mendivil. They walked down the red carpet with their escorts as a burst of fireworks formed an arch, framing them against the evening sky. The procession was completed as the girls stood arrayed before the crowd, and Cecilia was announced Homecoming Queen 83-84, and was crowned by last years queen Jeanne Gayton.

The 1983-84 school year was filled with spirit and enthusiasm. Various activities like the Homecoming Carnival and the Olympics involved the student body to make school life at Mar Vista a little easier. Our pep assemblies were great. Remember the class competitions and spirit yells? The many different assemblies included Camfel Productions and Edmund the Juggler. Our many athletic teams were supported throughout the year by wild and crazy fans. Overall it was an awesome year filled with fun and excitement!

A wet T-shirt contest, tug of war, and exciting pep rally were the highlights of powderpuff week 83-84. At the pep rally male cheerleaders performed hilarious cheers, and the Seniors proved their spirit with signs and a mini run-through. Throughout the game it was obvious the Seniors were a better team scoring more yardage and first downs than the Juniors. Both teams drew the biggest crowd ever at a powderpuff game. The Senior Studs came out with an overwhelming victory for the 2nd year in a row, embarrassing the Junior Jocks with a score of 6-0.

Well Ronda don't forget me  
and remember how crazy I was

Through their enourmous amount of energy, patience, and devotion to their school, they have shown us the real meaning of "cheer" leading. The 1983-84 Varsity Cheerleaders were Frances Arridonia, Maria Arroyo, Beth Beyersdorf, Christina Duarte, Griselda Hernandez, Nora Mejia, Liz Mendivil, Nelly Rosales, Sharyn Wieland, Letty Zazueta.

Among those living in the Mariner Society was a special group of fanatics, the PEP CLUB. Their sole purpose of existence was to be giving support to the Mighty Mariners and lifting the spirit of the general population. They contributed their time, effort, and MARINER PRIDE. The club was busy all year making lunches for the teams, having pizza parties, kidnapping the football players, decorating lockers and making certain that the Mariners were heard at sporting events throughout the season.

The girls felt that they reached their goal of making the 1983-84 Sweethearts Ball the best ever. Prior to the dance, the members held a fashion show to demonstrate the style of apparel to be worn to Sweethearts. The dance was held at the fabulous "Hotel Del Coronado". Excitement filled the air during the days preceding the event. The turnout of the dance was great and it was definitely a night to remember.

Queen Cassey Sheppard

"The winner of the 1984 Sweethearts Ball is..." stated the super Girls League Advisor Ms. Mazzarella, "...Cassey Sheppard!" The gala evening was highlighted by the crowning of our Queen. Cassey has been a great contribution to Mar Vista High, she has been a Girls League member and ASB Commissioner of Pep and Finance. She was escorted by senior Roy Sands, who was also a candidate for BMOC. Her court consisted of Christina Curley, Christina Duarte, Jacqueline Paris, Aida Roselle, Michelle Vazquez, and Leticia Zazueta. This year's Ball was sponsored once again by the Mar Vista Girls League, and held at the Grande Hall at Hotel Del Coronado, the music was provided by the outstanding DJs, Audio Climax.

Midnight  
Magic

1984 BMOC Jun Parker

"Midnight Magic" was the Sweethearts 1984 theme. This year was the 1st time BMOC was announced with the Sweethearts Court. Jun Parker was awarded BMOC (Big Man on Campus) with candidates Jesus Aviles, Mike Crotts, Arturo Fahme, Lance Luney, Roy Sands and Eduardo Sevilla. Mariners danced the night away at Grande Hall and for most the night was truly filled with "Midnight Magic."

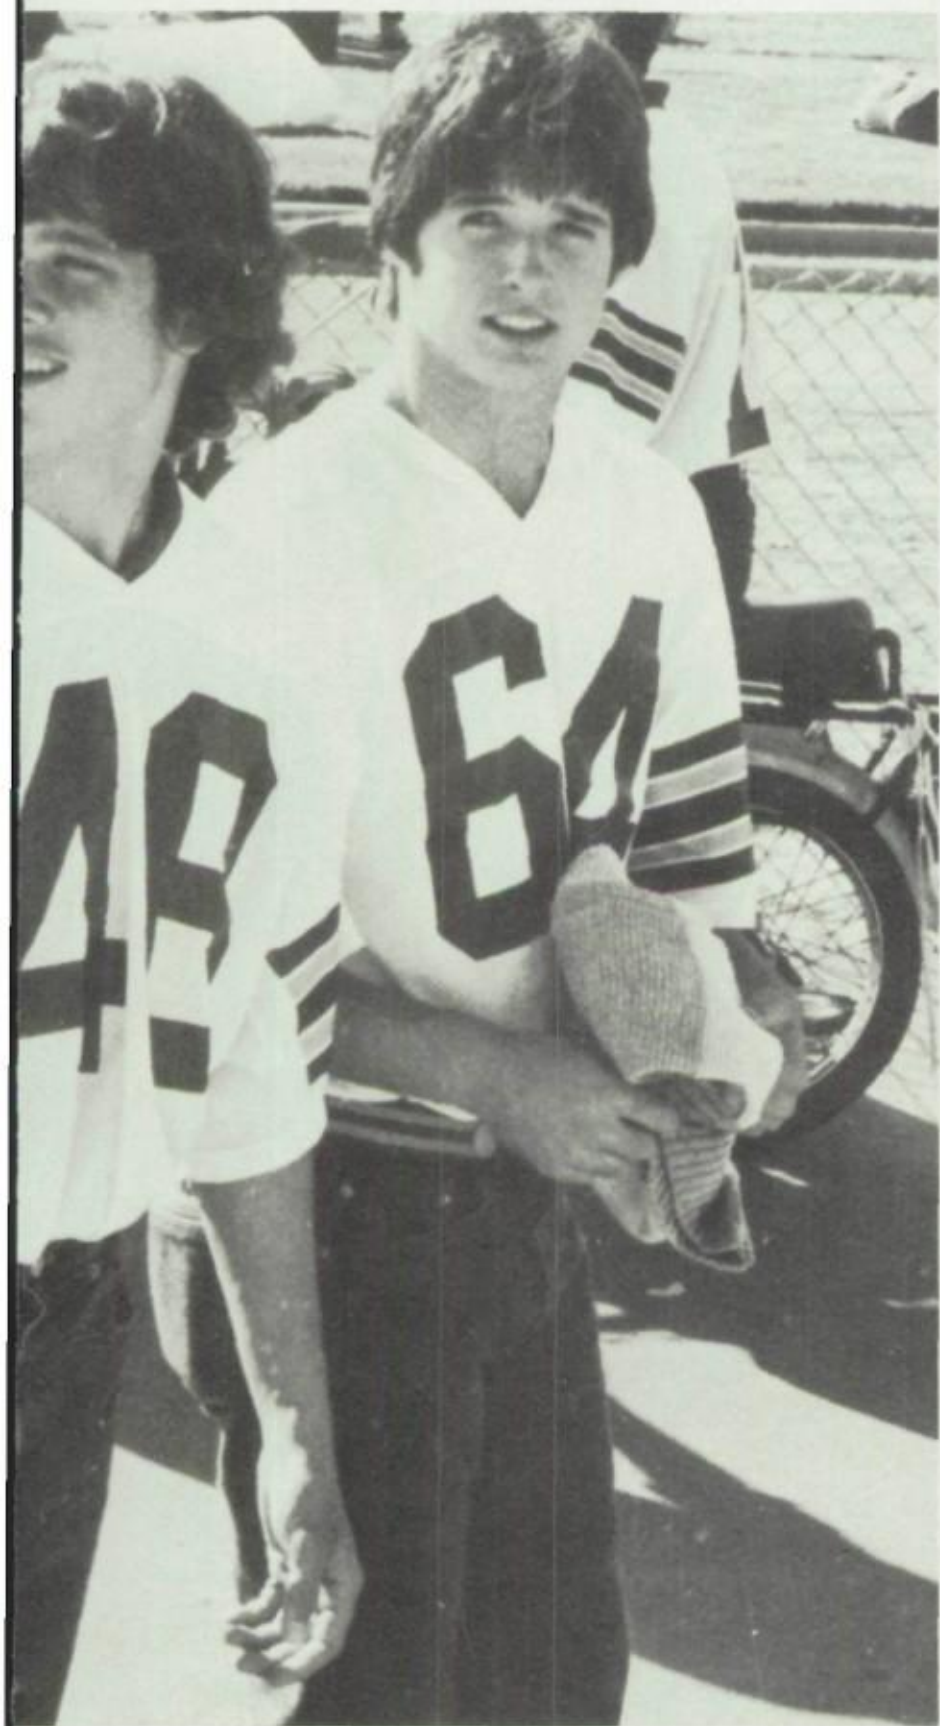

Girls League thanks the Sr. Class of 84 for donating their funds to make "Midnight Magic" possible.

The participants showed their determination battling in every game to the last minute. The season was climaxed with the 18 - 14 last second victory over the Bonita Vista Barons.

Our "Mean Green JV Machine" has shown that we have the spirit to win. This years team has developed a mean and tough defensive squad while our offensive squad has shown quickness in running and throwing for earning yards. The JV Football players have shown potential in having winning seasons in the years to come.

The Cross-country team started the season off with a new look. With the help of the ASB the team was able to purchase new uniforms. The team also raised their own money by having a car wash, watch raffle, and sponsoring the 1983-84 Homecoming Dance. Using this money they ran at the Mt. SAC Invitational and the next day relaxed at Knott's Berry Farm.

The boys cross-country team did well considering they lost their top four runners last year to graduation. They placed second to Bonita Vista in the Mesa League and had an overall record of 9 wins and 2 losses. The outlook for next year's team is exciting because most of the top runners this year will be returning.

The girls cross-country team came out from the shadows of the boy's team. Coach Robinson encouraged the team to run during the summer to prepare for the season. Although the team was small they did an outstanding job. The girls placed second in the Mesa League and practiced for CIF by running hills, intervals, and long distances. Workouts were hard, but the team knew their efforts would pay off in the "long run". The girls then went on to the CIF Preliminaries and qualified for this years Finals. The record was 9 wins and 2 losses and they placed 5th in the CIF Finals.

"Charleston days are here again".

The Mariner Soccer girls on the move again. For the 3rd consecutive year the girls, soccer team consisted of a fine group of girls, with many new faces. The spirit of the returning players helped lead the way to victory. They were highly enthusiastic and more than willing to give it all the effort they had in each game. They opened the season with 20 girls but as the winter progressed they lost 7 girls due to grades and injuries. That left 11 girls on the field and 2 substitutes. Practice was 5 days a week from 2:45 to 4:30. A total of 13 games were played. Their goal was to go to the C.I.F. playoffs and bring the banner home.

Proud and outstanding is a good way to describe our Varsity Softball Team. They always try their best and in the long run they always come out on top. This year the team consisted of younger girls than in the past and they show a lot of potential for the future. They practiced long hours everyday after school during the season, and it showed at every game.

Mar Vista did it again this year with an outstanding Girl's Softball Team. Each game was not won by luck, but with a lot of hard work and spirit. Most of the girls were fairly new to the MV team. This season was coached by Shirley Raynor and she helped lead our team to victory. Our "Mighty Mariners" showed everyone how tough they really are. Let us hope for more teams like this one in the future.

The Log Staff was comprised of an efficient group of students dedicated to making "Oceans of Memories" possible with their time and effort. The added task of making an actual paste-up board, the only school to do so in the SWH district, required extra hours before and after school. It was our aim to present to the student body the campus life during 1983-84, paying close detail to the varied moods of Mar Vista. The staff felt they did a great job under the supervision of Harvey Warren.

This year the Sea Breeze staff struggled to keep the newspaper alive by using their own KAPRO II and doing the type setting themselves. They had many difficulties involving declining enrollment and lack of money, but managed to produce three copies of the Sea Breeze and introduced a new publication, Shorelines first semester. Unfortunately in spite of all their effort, hard work, and determination, the Sea Breeze was cancelled at the semester change. But the dreams and potential of some of Mar Vista's talented writers would not allow them to see the publication die. Second semester, eight students gave their time out of class to publish several issues of Shorelines. Students in Mr. Kuhn's English 10 classes contributed some writings to be published. The efforts of those dedicated journalists who worked on Shorelines is greatly appreciated.

Forty-four students made-up Dance Choreography 1984. These dancers were selected from an audition of over seventy students. To be selected a member of "the troupe" is a real honor. Each student worked hard for two periods everyday. The Choreography Class performed at many schools and shopping centers during the semester. Their three night concert was a smashing success. From the time the lights were dimmed and the first dancers appeared, anticipation settled into enjoyment for performers and audience alike. If you missed this years show, you missed a treat. If you saw it, you'll be back for seconds. Nice job Dance Chore!

### "Drama"

Creativity and dedication were the focal points of the Mar Vista Drama Department. Throughout the year they presented such productions as: "Girl in the mirror", which was their entry in the SCETA High School Festival and "Potpourri". Their performances in February and April included "Yum Hasho-Ah", a play about the holocaust, "Poetry of Life" and "Evening of Scenes". Mar Vista's drama department consisted of approximately 40 students.

The NJROTC, now in its 10th year, is designed for those students who are interested in military life, particularly the Navy. Its primary goals are to instill self-discipline and self-responsibility in cadets as well as provide a background in history and the sciences. The cadets ranging from seaman to commander, learn about the different facets in Naval Service. Upon high school graduation, some cadets go to Service Academies of their choice and some select the military service at a higher pay level. The Naval Science Instructor is Commander Irving T. Gumb and the assistant Naval Science Instructor is Sr. Chief Gonzalez.

The advisors John Gibbs as well as Mike Gailband and the members want to make S.A.D.D. a visible organization for 1984.

## FRENCH CLUB

The club's main purpose is to speak better French. They are raising money by having bake sales and stuffed animal sales. They're planning on going on a trip next year. The president is Mary Lopez-Gallo and the advisor is Mrs. Martinez.

## Thespians Troupe 3144

"Act well your part"  
Thespians, chartered by the International Thespians Society, is dedicated to promoting excellence in the performing arts. A student must spend one hundred hours working, either as an actor, or a technician in the theatre arts department of their school in order to qualify for membership. This year they held a super ten year reunion, and went to a State Conference in February.

## KINGS COMPANY

"Lights, camera, action"  
Kings Company is a club which supports the theatre department of our school. Each year they sponsor "Potpourri" and "Poetry of Life". The club, which is open to any one interested in the theatre, is going to the Renaissance Fair in Pomona this May. Ms. Lambert is in charge of this group.

## C.S.F.

The California Scholarship Federation, is an organization based on scholastic achievement of students with a 3.5 grade point average or above. The organization honors its life members with a gold stole to wear at commencement and allowing their diplomas to bare a distinctive gold seal. They have planned a field trip to UCLA. They held lunch dances to raise the money for the field trip. Eileen Hudgins is the advisor of this group.

## BIOLOGY CLUB

The club gives biology-oriented students an opportunity to explore various fields of biology and science outside of the classroom. This is accomplished by going on field trips, inviting guest speakers and films at lunch. Mr. Johnson and Mrs. Puette, the Biology Club advisors, try to keep a steady flow of activities available to the Biology Club. All in an effort to make the study of biology a more enriching and fun aspect of high school learning. In the opinion of the President, Ashley Steele, it has been a giant success.

## COMPUTER CLUB

DATE: 1984

TIME: YEARBOOK

GOAL: The main goal is to acquaint students with computers. Due to the newness of the whole computer revolution, the club has been slow in developing. They're advised by Coach Sorge and Harold Usaraga.

## PAN-ASIAN AMERICA

The main purpose of the club is to unite the American and Asian culture as one and to let them be family with other cultures. They have sponsored car washes over the summer and during school, luau sales, lunch dances, and sales. Plus they sponsors the mixed-pop booth to help raise money for the Ronald McDonald House. Pan-Asian is one of the most active clubs in Mar Vista. Jenny Caluya is the President and Mr. Hock is the advisor.

## SENATORS

The vice president, Raul Flores, is in charge of the group of student senators. They make amendments to the school's constitution and vote on important matters.

## SURF

"Shoot the tube, hang ten" Surf Explorer Post 2629, Mar Vista's champion surfing team, has been winning contests ever since its beginning four years ago. This year they entered four contests as a club, and brought home trophies in each one, in addition to two surf trips to areas outside L.B. President Shawn Lindquist and advisor Jim Knox feel the club's goals are to promote surfing at Mar Vista High, and provide a means for surfers to be recognized and rewarded for their efforts. They sponsor inter club and inter school surf trips as well as contests, so if you like to surf, be sure to join.

## MATH ANALYSIS

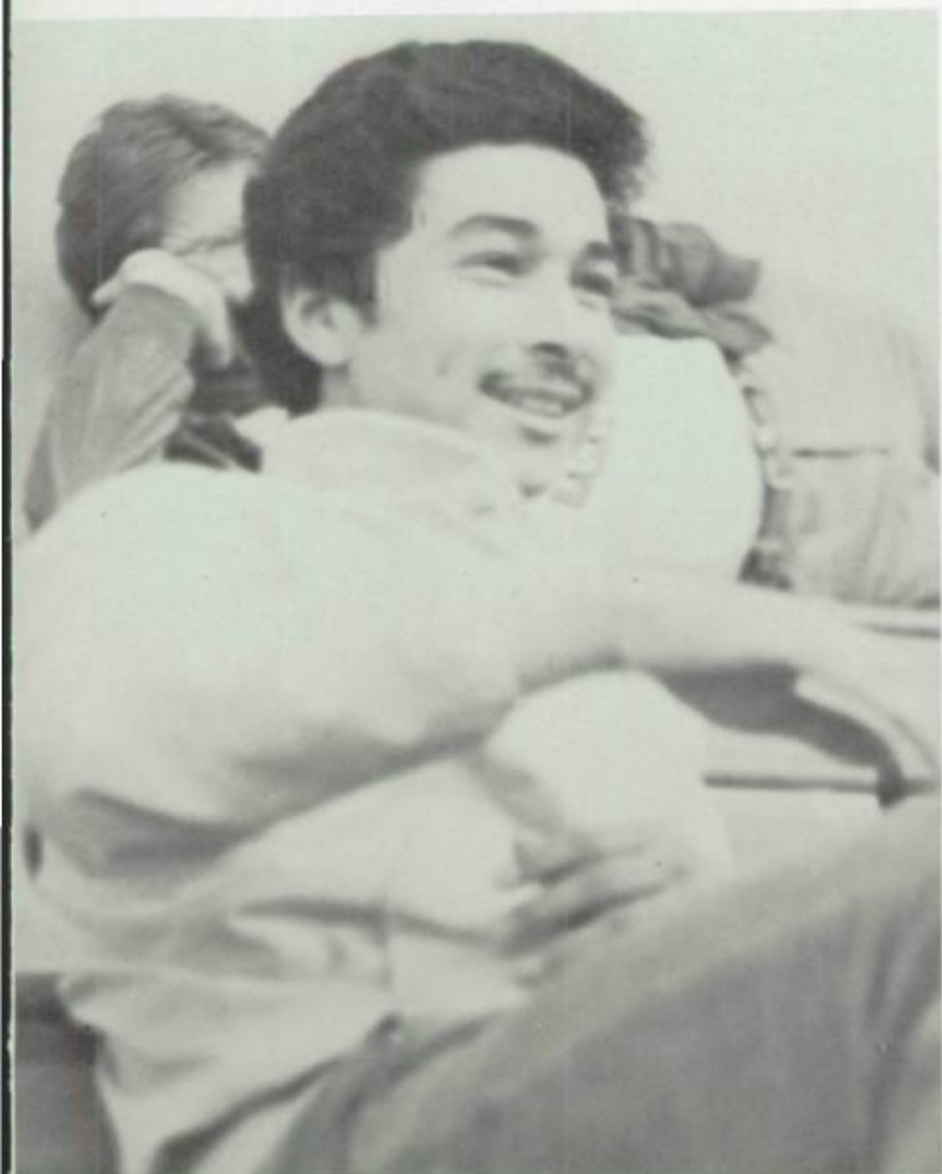

This elite group, in its third year of existence, was formed for the purpose of academic excellence. These men and women have upgraded the quality of mathematics at Mar Vista High.

Ronda,  
 What a pest! I  
 hope you learned some-  
 thing in M<sup>y</sup>thology - I  
 know I did. I if you  
 get an A it will be  
 against all odds. You  
 spent more time

 Actually - your a pretty  
 good kid. I appreciate  
 your concern & attempt  
 at perfection.

# Autographs

Here's my autograph  
 next to my fav. Deach.  
 & Class. (Ha) I guess  
 there were more fun times  
 than bad times but there  
 were lots of boring times, lectures,  
 test etc. We seniors know how  
 to make anything Rad. Member  
 how I'd get good grades on test?  
 I'll never forget getting kicked out  
 because of my Spanish.  
 I luv-ya. You're great.  
 I learned to like you in a  
 short time. Take Care.

Smile!

Rhonda,  
I can't believe we finally made  
it. Remember how long it seemed  
graduation was going to be? Well  
it's here. Remember in Mr. Lawrence's S.S.R.  
class? That was always fun.  
Good luck in what you do

Love ya
